

**move DC**

- Proposes new sidewalks, bike facilities, and high capacity transit service

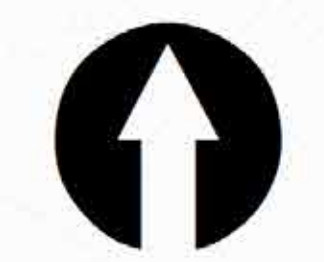

**DC's Vision Zero plan is focused on**

- Creating safer streets,
- Protecting vulnerable users
- Preventing dangerous driving

**Sustainable DC Plan**

- Increase transit to 50% of all commuting trips
- Reduce driving to 25% of all commuter trips
- 75% of all residents should live within a 1/4 mile of a community garden, farmers' market, or healthy corner store

1 Inch = 1,000 feet  
0 500 1,000 Feet
